## Breeding Affidavit

An affidavit is a written statement where a person lists facts that they know to be true. For the ABA, this form is used to document horse breeding.

- The **Breeding Affidavit** form is available on the American Brabant Association website and also in this document.
- The owner, who wants to register a horse, has the responsibility to contact the **Sire's** owner and have the **Sire's** owner complete the **Breeding Affidavit** form.
- The owner will then include the completed **Breeding Affidavit** with their horse's registration application.
- When registering a foal conceived with artificial insemination if no parentage DNA test information is submitted, both the **Breeding Affidavit** and **Semen Collection Affidavit** forms are required.
