Semen Collection Affidavit

An affidavit is a written statement where a person lists facts that they know to be true. For the ABA, this form is used to document the collection of semen.

- The **Semen Collection** form is available on the American Brabant Association website and in this document.
- The owner, who wants to register a horse conceived using Artificial Insemination, has the responsibility to contact the semen collector to have them complete the **Semen Collection Affidavit** form.
- The owner will then include the completed **Semen Collection Affidavit** and a **Breeder Affidavit** with their horse's registration application.
- When registering a foal conceived with artificial insemination if no parentage DNA test information is submitted, the **Semen Collection Affidavit** and **Breeder Affidavit** forms are required.
